As a manufacturer of sewn textile products for 100 years, no custom commercial or promotional project is too complicated or too big for Neely to handle. From customized medical cases, pallet covers, helium covers, flag covers, blanket bags, dry cleaning or garment bags, to promotional coolers, duffels, tote bags, stadium cushions, briefcases, and much, much, more, Neely delivers!

For as little as 1,000 pieces, and with only 90 to 120 days lead time, we can produce your larger custom orders with one of our four partner manufacturers worldwide. Plus, ask us about our extensive library of custom textile products developed with our partner manufactures which may be considered for your special projects or modified to meet your needs!

For smaller customized orders or for special orders you need right away we are proud to produce your order right in one of our three factories in Southern Iowa. Please contact our customer service department to discuss minimums and lead time for your custom sewn product.
